

INT - NIGHT - College Party

FRAT BOY 1

Damm bro! You just chugged a fourth of liquor

FRAT BOY 2

I know bro! I'm awesome

FRAT BOY 1

Yeah... but that was the last of the booze. I'm starting to sober up and Katie isn't looking as good as she did thirty minutes ago.

FRAT BOY 2

Just turn down the lights

FRAT BOY 1

Dude this isn't funny, what are we gonna do? I need stronger goggles! I need alcohol!

FRAT BOY 2

Shit, you're right, but all the stores are closed. I don't know what to do

Enter BEARWOLF

BEARWOLF

Is you out of alcohol? I fix this dilemma.

BEARWOLF takes out vodka and gives FRAT BOY 1 three straight shots.

BEARWOLF

There you are. You make good love with Katie now. Don't forget, when alcohol runs dry. You call me -- Bearwolf. I am Half bear. Half wolf. All vodka!

FRAT BOY1 and FRAT BOY 2

Wow! Thanks Bearwolf. You're our new hero.

EXT. - NIGHT - EMPTY STAGE

ANNOUNCER

Twenty years ago, Boris was just another drunk Russian in Siberia. But one fateful night, he fell into a Chernobyl nuclear puddle. When the vodka mixed with his blood, he became Bearwolf. Now, the vodka never ends.

EXT. - DAY - PARK

BEARWOLF

Oh cub pup. Good see you. I was just remembering how we saved New Years.

CUB PUP

Yes it was great. Dave was almost sober enough to take home his *own* girlfriend, but you fixed that just in the nick of time.

BEARWOLF

Yes. That was crazy. My favorite part of New Years is watching everyone's standards drop.

CUB PUP

Yeah, you get to the party and you wanna get with the hottest girl there.

BEARWOLF

But two minute before midnight, who is that stunning creature in the corner? What's that? She has a humpback and eye patch? Mmmmm, hungry wolf.

CUB PUP

Twelve oh one. At least the ugly was a girl.

BEARWOLF

Unlike last year. That what happen when I not around and all you can poor is red cups of Natty Light. In Russia, you get death penalty for drinking Natty Suck.

CUB PUP

I told you not to mention my inadequacies. Not all of us can make vodka appear on command. I'm trying to the best I can okay? I've saved you before, why won't you just let this go?

BEARWOLF

Sorry. Just you need better slogan. Half cub, half pup, all shitty American Beer. Not work very well.

CUB PUP

If you weren't the best super hero in suburban California, I'd never to speak to you. The day I'm a full super hero, we're no longer friends.

BEARWOLF

Day you real super hero, is day I join alcoholics anonymous. Enough, my sobriety sense is tingling, we must go to bachelor party.

INT. - NIGHT - LIVING ROOM PARTY ATMOSPHERE

CUB PUP

Oh my god Bearwolf. We're too late. Reborn Rick has just turned vodka to wine. It'll take them forever to get drunk and make bad decisions now.

REBORN RICK

That's right Bearwolf. These guys are gonna sober up before they decide nailing a stripper is a good idea. And there's nothing you can do about it.

BEARWOLF tries to pour vodka from his magic bottle, but only wine comes out.

BEARWOLF

Shit, no vodka coming from magic bottle.

BEARWOLF smashes the bottle, and tries attacking Reborn Rick with the jagged edge

BEARWOLF

I triple distill your face!

REBORN RICK side steps the attack and knocks BEARWOLF to the floor. He proceeds to tie BEARWOLF to a wine cask.

REBORN RICK

Not only will I take your hard liquor but I'll take your dancing woman and turn her into a woman of god.

EVERYONE ELSE

No!!!

CUB PUP

You'll never get away with this Reborn Rick!

REBORN RICK

I already have

REBORN RICK proceeds to drink CUB PUP's Natty Ice until he runs out

REBORN RICK

Ahh. I like a good refreshing drink of water. I was getting a little tipsy from this wine.

CUB PUP

Noooooooo!

EXT. - NIGHT - EMPTY STAGE

INT. - NIGHT - LIVING ROOM PARTY ATMOSPHERE

BEARWOLF

I do not know if I can go on. Maybe it is time for suicide.

CUB PUP

It's not worth it Bearwolf. Don't kill yourself. I might envy you, but it's only out of respect. The townspeople love you.

BEARWOLF

Maybe you are a tap water fuck, but you are right. Get my backup flask out of my hip pocket, .I drink it and get strength to untie myself.

CUB PUP

I could just untie you Bearwolf.

BEARWOLF

I not work in Siberian labor camp for lazy American to untie me.

CUB PUP gets the flask out of BEARWOLF'S back pocket, unscrews it and holds it for BEARWOLF to drink

BEARWOLF

Super strength is returning!

BEARWOLF breaks free from the ropes and runs off stage, with CUB PUP following

INT. - NIGHT - CHURCH

The STRIPPER is now dressed as a nun, and from the front looks like a normal nun. However, as she walks around, she turns out to have booty shorts. She is also walking very sexually. And there is Christian Rock music. Reborn Rick is throwing singles at her as she struts.

REBORN RICK

Yes. Praise Jesus. Those are some fine hips. Fine hips and fine wine.

BEARWOLF kicks down the door

BEARWOLF

I knew I would find you here. Trying to bring back decency and shame. How you live with self?

REBORN RICK

My god how did you escape? No matter. I'll make sure to kill you this time.

REBORN RICK starts moving towards BEARWOLF

BEARWOLF

Look Mother Teresa, he not even get hard for you.

REBORN RICK

What? That's preposterous! She's a sexy woman of god!

BEARWOLF

We all see your lack of excitement. Reborn Rick? More like Tubesock Tom!

REBORN RICK breaks down crying

REBORN RICK

Why did you have to talk about my manhood? This doesn't always happen.

BEARWOLF

And I not always drunk.

BEARWOLF, CUB PUP and THE STRIPPER leave while REBORN RICK is crying

INT. - NIGHT - LIVING ROOM PARTY ATMOSPHERE

THE STRIPPER is dancing and the booze is flowing.

BACHELOR

Thanks Bearwolf. You saved the day again. Now I can do something that'll be grounds for divorce.

BEARWOLF

No need thank me, thank Vodka. I am Bearwolf: Half bear, half wolf, all grounds for divorce!
